

# Genies Career Hub - Complete Features and Services Guide

## About Genies Career Hub

**Company Overview:** Genies Career Hub is an innovative career development platform launched in 2024 that seamlessly integrates artificial intelligence and technology with traditional career coaching methodologies. The platform evolved from Career Genies, which was established in 2021 as part of The Career Genies Group.

**Mission Statement:** "Super Charge Your Career Potential" - Genies Career Hub has a passion to mentor individuals on their entire career path, helping them realize what they want to do, how to get into that career, and utilizing experts to guide them on how to excel within it.

### Company Details:

- Head Office: The Career Genies Group UK LTD, 124 City Road, London, EC1V 2NX
- Phone: 0203 476 7492
- Operating Hours: Monday-Saturday 9am to 5pm
- Established: 2024 (evolved from Career Genies, founded in 2021)

## Core Services and Features

### 1. Genies Pro CV Studio

A comprehensive AI-driven suite of three pioneering tools for CV creation and optimization:

#### A. CV Creator

- Create professional CVs from scratch using AI technology
- Choose from unlimited professional templates
- Fill in personal details including name, job title, email, and professional information
- AI-powered faster approach to CV building
- Customized Curriculum Vitae templates aligned with professional profiles
- ATS-friendly resume formats that pass Application Tracking System scanners

#### B. CV Optimizer

- AI-powered CV analysis and optimization
- Enhanced CVs with keyword and format optimized content
- Ensures ATS CV Checker approval

- Professional insights integration for better performance
- Eliminates CV rejections due to ATS incompatibility

### **C. CV Match**

- Matches job titles or professions to prepare tailored CV templates
- Provides profession-specific CV templates
- Option to start fresh or use existing templates
- Finds exact CVs tailored to individual profiles using AI
- Customized profile analysis for better job matching

## **2. Career Coaching Services**

### **Expert Career Coaches**

- Access to internationally acclaimed and accredited career coaches
